

Talladega College National Alumni Association

627 West Battle Street
Talladega, Alabama 35160

Alumni,

Welcome to *your* new website, created to keep you informed of alumni activities and college information. This website represents one of several initiatives the TCNAA has taken to update our communications strategy and to keep you connected to the Association and to the College.

We will try our best to keep this website current – but we need your help to do this. Not only do we want to share the activities and programs of local Chapters/Regions, we also want to share timely information about alumni. This may include professional and civic accomplishments. And of course, we welcome photographs.

You will find that there is a link on the website for you to provide us with your current contact information. Keeping track of alumni has been a longstanding problem for both the Association and the College. Our commitment is to share our records with the College, ensuring that you will receive information directly from them.

For your convenience, we have added PayPal functionality to the website, allowing you to pay your alumni dues as well as participate in fundraising efforts.

Please note the following:

- ✓ We're always interested in re-activating and starting new chapters. To do so, simply contact your Regional president.
- ✓ Please send this web address to your 'dega friends – we want to make sure all alumni and friends know this site exists.
- ✓ An Alumni Directory is planned for 2010. More info on this resource will be featured on the website soon.

Let me know what you think of the website – we are always open to suggestions on how we can use it to best serve our collective needs as alumni.

Yours in 'dega,

Greg Austin
